Definitions

Resident

A Resident of the College is financial member of the College community who is residing at the College. This is the person who signs the Residential contract and lives at the College; it is not based on the person who is paying the fees (the Account holder).

The Collegiate Team

The Collegiate Team at the College is the group of student leaders who have responsibility for supporting the Residents during their stay at College. It consists of two sub groups the Pastoral Team and the Academic Team. Both teams are led and supervised by the Deputy Head of College (DHOC).

Principles

1. One of the primary roles of a Residential College is to create a safe and secure environment for its Residents, staff, guests and visitors.
2. Doors at building exits and into each Resident's room must have a locking system that:
 - a. Makes them secure and limits the ability for unauthorised people to access that area.
 - b. Records the person accessing a door at a given date and time.
3. The use of Salto System and CCTV must meet the requirements of the Privacy Act and any other legislation, such as the Workplace Surveillance Act and Regulations.
4. John XXIII College is committed to fair, lawful, open and accountable use of CCTV.

 - b. To record images of the inside of student rooms or inside bathroom facilities.
 - c. To record sound.
